LETTER DATED 15 JULY 1993 FROM THE PRESIDENT OF THE SECURITY COUNCIL ADDRESSED TO THE SECRETARY-GENERAL

The members of the Council have considered those parts of your report of 12 July (S/26063) which are within the competence of the Council. They expressed their deep appreciation for your efforts and those of your Special Envoy to achieve a peaceful settlement to the crisis in Haiti, and declared their readiness to give the fullest possible support to the Agreement signed on Governors Island, New York, on 3 July 1993.

The members of the Council earnestly hope that the inter-Haitian dialogue which is beginning in New York this week will facilitate rapid progress towards the achievement of the objectives of the Governors Island Agreement. They look forward to the full implementation of all stages of that Agreement, and confirm their readiness to suspend the measures imposed by resolution 841 (1993) immediately after the ratification of the Prime Minister and his assumption of his functions in Haiti. They agree that provision will also need to be made for the automatic termination of such suspension if at any time you, having regard to the views of the Secretary-General of the Organization of American States, report to the Council that the parties to the Governors Island Agreement or any authorities in Haiti have failed to comply in good faith with the Agreement. They declare their readiness to terminate the measures imposed by resolution 841 (1993), on receipt of a report from you, immediately after the return of President Aristide to Haiti.

The members of the Council stand ready to take the necessary action urgently upon receipt of your recommendations for the presence of United Nations personnel in Haiti to assist in the modernization of the Armed Forces and the establishment of a new police force, in accordance with point 5 of the Governors Island Agreement.

(Signed) Sir David HANNAY
President of the Security Council
